THE COPELAND EXPERIENCE

December, 2019

Merry Christmas and Happy New Year!

On behalf of everyone at Copeland Oaks and Crandall Medical Center, we hope that you have a very merry and blessed Christmas and a Happy New Year!

It's The Most Wonderful Time of the Year!

The Christmas season is a time that brings joy to many people and is a time when family traditions are carried out through the years. In honor of the Christmas spirit, Copeland residents and staff were asked to share their favorite Christmas traditions:

Reverend David Parry – "Making Welsh cookies with my son and his family."

Resident, Carol Ringer – "I love getting together with my family."

Alexa Ivan – "Opening one present on Christmas Eve. It is always a pair of Christmas pajamas to wear to bed that night!"

Resident, Reverend Mark George – "The Christmas services, we have five of them and they mean a lot to me!"

Raymondia Gentry – "We always read the Nativity story then have prayer before we open any gifts."

Bernie Wilson – "Having Christmas dinner with my family and going to midnight mass"

Dave Mannion – "Watching Rudolph the Red-Nosed Reindeer with my grandkids and having them truly believe I'm afraid of the abominable snowman."

Margaret Wilson – "Getting together with my family and opening gifts with all of the kids on Christmas Eve."

Congratulations to our 2019 Ruth Zealley Award Winners!
