Meet Addie the Therapy Dog!

One of our staff members was able to meet up with Addie the Therapy Dog while she was on the go, and interviewed her! Here is what she had to say...

What is your full name, age, birthday, and breed?
My name is Addie Michelle Edie. I am 5 years old. I was born on July 19, 2018 and I'm told that I am a Double Doodle. Both of my parents were labradoodles too!

What is your favorite food?
I love bananas, and I sneak fries from time to time (don't tell my mom, Jody).

What is your favorite holiday?
Any holiday that I get presents!!

How did you become a therapy dog?
I took classes at Paws on Main in Columbiana for a whole months. At the end of my classes, I had to take a test – I passed with flying colors!

When did you start coming to work with your sister, Allie?
I believe it was in the fall of 2022 when I started visiting Copeland Oaks on Wednesdays or Thursdays alongside Allie to enjoy time with my friends. I also worked at a different nursing home for two years with even more friends!

You seem very busy!! What do you like to do in your free time?
I love playing fetch with my ball and getting the zoomies!! I love car rides and of course sleeping!!

Do you have any special talents?
I know how to smile, sit, shake, stay, and put my paws up. I consider myself very smart. I love bringing joy to people.

Activities Coordinator for Assisted Living, Christie McNutt, noted that Addie has quite the following - residents and their family members always want to know when Addie will be back to visit! The residents enjoy feeding her bananas (her favorite treat), playing fetch, and shaking paws/hands. She brings so many smiles and spreads so much joy. Assisted Living residents look forward to her visits each week.

How Much Does Assisted Living Cost?

Transitioning a loved one into an assisted living facility means you have a lot of variables to consider, cost typically being at the forefront of those considerations. You want the experience to be a positive one, but making sure that the new living environment is affordable for you and your family is a big factor in your choice.

Learning about the overall cost of assisted living will help you make the best decision for your loved ones. Read more about the cost of assisted living facilities on our blog.
